Tatties & ...

pizzas, ice cream, burgers, hot dogs, baguettes, hot & cold drinks

"Tatties and point" – in times gone by this was a basic meal of potatoes with no meat - which was symbolically pointed at!

This isn't just any baked potato shop; this is *the only* dedicated baked potato shop in Shetland – a local tradition taking the humble spud and transforming it with a variety of delicious toppings and dressings.

Centrally located in Lerwick we welcome everyone to call along and try out our tasty menu. For your convenience, we take telephone orders which we will prepare and have ready for collection when you arrive.

Choose a "Muckle" or "Peerie" tattie and a variety of toppings such as chilli or macaroni cheese in addition to a choice of salads and chilled options on offer. In recent years we have extended the menu to include freshly prepared hot or cold baguettes, freshly baked pizzas, burgers, hot dogs, hot drinks and a host of juices.

- **Healthy food prepared with care**
- **Scrupulously hygienic preparation areas**
- **Large menu including vegetarian options**
