Information and Guidance Notes

1. What is the Further Education Discretionary Fund?

UHI Shetland offer students the chance to apply for financial support from our Discretionary and Childcare Funds for Further and Higher Education. If you are struggling with travel costs or the cost of materials for your course you can apply to our Discretionary Fund for assistance. Or alternatively, if you require childcare for when you are studying, you can apply for support from the Childcare Fund. Here at UHI Shetland, we would like to reduce barriers to learning, so if you think you may need support, please get in touch. As per SFC guidance, if students wish to apply to the Childcare Fund for assistance to meet their childcare needs, they must have utilised all support available to them (including free government childcare if they are entitled to it).

2. What kind of information will I be asked to provide?

You must complete all sections of the form that apply to you, this information is necessary for your application to be processed in time. You are required to include evidence of income and expenditure with your application (this may include household income and partner income) and any other documentation required to process your form accurately. The form cannot be processed until all information requested has been submitted.

3. What courses are eligible?

All Further Education courses are eligible, both part time and full time. You must meet the residency requirements as set out by the SFC funding guide. Awards from the discretionary funds cannot be used to pay for tuition fees.

4. What if I applied before?

You can apply for support from the Discretionary and Childcare funds every year you study a further education course with UHI Shetland. Your application will only last that academic year, so you will be required to submit a new application if you need support the following academic year.

5. When should I apply?

You should apply as soon as possible. Completed application forms should be emailed to: support.shetland@uhi.ac.uk. The discretionary funds are limited and are aimed to support those facing hardship who would otherwise be unable to continue their further education.

6. How long will the support last?

Support from the Discretionary Fund may last for as long as is required; this may be a short period of hardship or the full period of study in that academic year.

7. How long does it take to process the application?

Fully completed applications are aimed to be processed within two working weeks. Emergency applications are available on the day (excluding weekends and when the college is closed to students). Get in touch with the Student Support Team support.shetland@uhi.ac.uk
Tel: 01595 771000 if you require emergency assistance.

8. How much will I receive?

Applications are assessed according to your individual circumstances. An award will consider your and your household's income and expenditure and the support that they will give you while you study. You will receive an award notification telling you how much you have been awarded.

9. Will an award affect my benefits?

Any financial support may affect your benefits and it is your responsibility to check with the Job Centre and the Department of Work and Pensions whether any support will affect your benefit claim.

10. What are my responsibilities? - Childcare Fund

- It is your responsibility to organise childcare and to make sure that the childcare provider is registered.
- If your circumstances change, it is your responsibility to speak to the Student Support Team and seek permission for the change in application and subsequently to arrange that with the childcare provider.
- If you withdraw from the college, you must also cancel your application with the Student Support Team; failure to do so will result in a recall of funds from the moment you withdraw from the course or the childcare provider invoicing you directly for any un-cancelled visits.

10. What are my responsibilities? - Discretionary Fund

- It is your responsibility to make sure that the award from the Discretionary Fund does not impact your benefits.
- It is your responsibility to inform the college of any change in circumstances that may impact your award. If you are not certain whether a change in circumstances will impact your Discretionary Fund award, you should seek clarification from Student Support at UHI Shetland.
- Any wrong information provided on the application form or during a meeting between the Guidance Co-ordinator and yourself may result in an annulment of the form and in the last circumstance a clawback of the funds awarded.
- You will be offered a session with the Guidance Co-ordinator on budgeting your finances. You are encouraged to attend and failure to do so may impact on future applications to the fund.

11. Can I appeal?

If you are not satisfied with the outcome of your application, you have the right to request a review of your application, and if you are still not satisfied, you have the right to appeal against the decision. For information on how to appeal a decision for applications to the Discretionary Fund, please view the Complaints Procedure on the college website: www.shetland.uhi.ac.uk/student-complaints.

12. How can I find out more?

Disclaimer

The **completed** form should be returned by email to support.shetland@uhi.ac.uk

Please be aware that unless an emergency payment is required, the processing of this form may take up to two weeks from the date that all information requested has been handed in.

Students are responsible for organising their childcare; this includes any changes to the agreed childcare provision and this has to be approved by the Student Support Team first. If childcare is no longer required or a student withdraws from their course of study, the student is liable for all pre-organised childcare costs including any administrative costs this may incur. It is also the sole responsibility of the student to let the Student Support Team know of their withdrawal. By signing below you confirm that you will abide by the rules and regulations of the UHI Shetland Discretionary and Childcare Funds.

In the instance that an emergency payment is required, please contact The Student Support Team at support.shetland@uhi.ac.uk Tel: 01595 771000

Applicant's Declaration:

I certify that, to the best of my knowledge, the statements I have made are full and correct in every respect. I undertake to inform the UHI Shetland immediately of any changes in my circumstances.

I also understand that it is my responsibility to inform the Benefits Agency or the Inland Revenue if assistance from this fund will affect my eligibility/entitlement to any benefits or Tax credits I already receive. I declare that, I have not applied to, nor am I in receipt of Discretionary Fund support from any other institution. In addition, I confirm that I have read and understood the information and guidance included in this document.
