Brief summary of the paper	<p>Partnership council has agreed that a note of the key discussions in their meetings will be circulated to the chairs of the academic partner boards and all university partnership staff after each monthly meeting. This is to inform you about strategic priorities and plans and ensuring visibility of these on a regular basis.</p> <p>Partnership council includes all the principals and directors of the academic partner colleges and research institutions and is chaired by the university principal and vice-chancellor. It is responsible for partnership planning, development and operational matters delegated to it by the university court.</p> <p>The separate PDF (TB2021-21 Partnership Council – Summary) with the update is a summary of the discussion and not a formal minute.</p>
